Assignment Books

Please read over your child's assignment book and make sure all their homework is finished and sign it each night.

Accordion Binders

Please don't throw anything away from your child's accordion binder. We will clean them out after tests.

CozLand

We will begin the process of creating our CozLand government on Tuesday with hearing the speeches created by the people who are interested in being class president and vice president. Anyone who is running needs to bring in a speech to present to the class. Each group is allowed to also bring in a poster and display it in the room. They are **not** allowed to bring in any item to pass out to students. Once our president and vice president are elected, they will appoint a cabinet to help them run the country as well as 3 federal judges. We will then elect a Congress and start by creating 4-5 national holidays (PJ day, crazy hair day, etc.). Hopefully the government will be up and running by the end of the week and we can start to work on passing our first law (rewards in the class). Good luck to everyone running!!

Open House

Thank you to everyone who was able to attend Open House on Tuesday. If you have any questions now or as the year progresses, please reach out through e-mail or a phone call. I know new years and routines can be difficult for some children, and communication between myself and the parents can really help ease the way.

Field Trips

Information about the DIA will come home next week.
