Nov. 1 October Book due

May 19 Field Trip to Green Field Village

Assignment Books

Please read over your child's assignment book and make sure all their homework is finished and sign it each night.

Accordion Binders

Please don't remove anything from your child's accordion binder at home. We will clean them out after tests.

M-STEP Scores

M-STEP scores from 4th grade are in your child's Friday Folder.

Field Trip - DIA

Please look for the note and permission slip for the DIA in your child's Friday Folder. Sign and return it as soon as possible. No money is required.

Fun Run

The PTA's fundraiser is quickly approaching. The PTA provides the school with extra educational and entertainment opportunities for your child. For the 5th grade alone, they will be paying for guest speakers in Social Studies and Science as well as the buses necessary for our field trip to Green Field Village in the spring. Please consider donating to the school. You can do it on-line or send the donation to school with your child.

Math

I know that starting the year with fractions is a bit overwhelming for some children. We continue to go over the need to spend extra time making sure they have their multiplication facts memorized. If they have them memorized well, the process of learning fractions goes much more smoothly. We have our first math test coming up in a little over a week. I'm offering extra help to prepare for our first math test on Thursday, October 3rd at 8:15 in the morning to anyone who would like to join me. Please send a note or an e-mail indicating that your child will be joining me, so I can let the office know.

CozLand

CozLand has a full government!! Next week we will start by passing some Cozland National Holidays! No, they don't get a day off school, but they might get to wear pajamas to school. 😊

Conference Dates/Times

Everyone on the Crissman staff will be texting/e-mailing on-line links to sign up for conference times **next Friday**. You will need to go to the links that each teacher sends you to sign up for multiple conferences if you have more than 1 child at Crissman.
